

Автор :Once upon a time there lived a Stepmother, her daughters, her husband and his daughter Cinderella.

Stepmother : Your daughter Cinderella is playing computer games all day long.

Cinderella`s father: Oh, my dear, calm down, don`t be so rude with Cinderella. She is going to be an actress.

Stepmother: Ha, ha, ha. An actress, ha, ha, ha.

Sister 1: What are you talking about, dad?

Cinderella`s father: Well, just listen to her songs, my dear. She can sing and dance. Besides, she is learning some role in the play by Shakespeare.

Cinderella: (идет и учит слова Гамлета по бумажке)

To be or not to be, that is the question

Whether`tis nobler in the mind to suffer....(и тут она видит всех своих домочадцев,они устали на нее, Золушка в изумлении тоже широко раскрывает глаза и удивленно говорит) What`s going on? Why are you looking at me so attentively?

Sister 1: Your dad had told that you are going to become a famous actress. Is it really so?

Cinderella: Well, yes. I`m dreaming about becoming an actress.

Stepmother: Ha, ha. ha an actress! Can you dance?

Cinderella: Yes, I can.(танцует)

Sister 2: Can you sing?

Cinderella: Yes, I can. (поёт)

Cinderella`s father: Bravo, you are a talented girl!

Stepmother: Cinderella, we`ll have a New Year party this weekend. You must buy some costumes for us.

Автор: So Cinderella went shopping. (музыка и реклама в магазине)While shopping she bumped into a young man and one of her bags fell down on the ground. She didn`t notice that. Only at home Cinderella realized that her bag with her phone were lost.

Cinderella: Oh, no bag, no phone (плачет)

Volsk`s Prince: I will marry the girl who had lost this phone.

Автор: Every girl should come to Prince to take her Touch ID on the lost phone.

Prince: Come on, one by one touch the phone. Is it your phone? (каждая девушка касается пальцем телефона и только Золушка его разблокировала) Will you marry me?

Автор: Cinderella said : <<Yes>> And they lived long and happily! Happy end
