The country the United States of America has another names:

- ✓ the United States
- ✓ the USA
- ✓ the US
- ✓ America
- ✓ the States

Washington, D.C. lies on the Potomac River. It is located in the District of Columbia. This place was chosen by George Washington to be the capital. The planning and building of a new capital began when Washington was the president. But he did not live there because it was not finished at the time. Only after his death in 1799, the nation's capital was named in his honour.

**Alaska** - the largest state, that's why it's called "The Great Land"

**Rhode Island** - the smallest state. Its nickname is "Little Rhody"

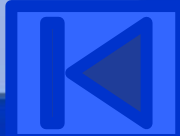

**Kansas** - the geographical centre of the USA. It has two nicknames: "the Sunshine State", "The Central State"

**Delaware** got a nickname of "The First State". The people of this state were the first to approve of the Constitution of the USA.

**Hawaii** has the nickname "The Aloha State". It was the last state which got its status of a state of the US.

- ✓ The USA doesn't have any official language
- ✓ English is the most commonly spoken language within the United States. America, before gaining its independence, was a British colony.
- ✓ A large influence of Spanish people has made the Spanish language the second most widely spoken language within the country

- 
- ✓ Most of the population lives in cities and towns
  - ✓ A big number of Americans are of European origin
  - ✓ More than 30 mln of people are Afro-Americans
  - ✓ About 1 mln of people are Indians

The USA is usually called a "melting pot", a "salad bowl", "vegetable soup" because people of different nationalities live there, i.e. the Spanish, the English and the French, the Germans, the Swedes, the Dutch and the Swiss

- ✓ The USA occupies the central part of the North American continent.
- ✓ It borders on Canada in the north and Mexico in the south.
- ✓ It is washed by the Atlantic Ocean in the east, by the Pacific Ocean in the west and by the Gulf of Mexico in the south.

- ✓ The USA has over 250,000 rivers
- ✓ The length of the river Missouri is 2,540 miles
- ✓ The name "Missouri" is derived from the tribe of Sioux Indians called the Missouris and means "town of the large canoes"

- ✓ The lake is spread out over more than 307 miles.
- ✓ It has several cities located on its shores and thousands of beaches
- ✓ The Lake is also famous for its several national parks like the Hiawatha National Forest, Manistee National Forest, Nordhouse Dunes Wilderness, and Michigan Islands National Wildlife Refuge.

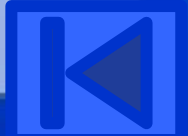

- ✓ It is located in south-central Alaska, in the central portion of the Alaska Range
- ✓ The mountain's peak is 20,310 feet (6,190 meters) above sea level
- ✓ The mountain is extreme cold, which can be minus 75 degrees Fahrenheit (minus 60 degrees Celsius)

- ✓ It is the centerpiece of Denali National Park.

- ✓ The Falls at Niagara are about 12,000 years old
- ✓ There are actually two waterfalls in Niagara, the American Falls and the Canadian Horseshoe Falls.
- ✓ The word Niagara comes from the word "onguiaahra" which means "a thundering noise".
- ✓ Water that flows over the Falls at Niagara ultimately ends up in Lake Ontario - from there, water drains by way of the St. Lawrence River in to the Atlantic Ocean.

- 
- ✓ Christopher Columbus was an Italian explorer who made four voyages across the Atlantic Ocean
  - ✓ Columbus discovered America by accident. He was trying to find a new route to China and thought by sailing west he would find a quicker and easier route.
  - ✓ On 12 October 1492, Christopher Columbus reached the Americas. The second Monday in October is Columbus Day, a holiday commemorating this event.

- 
- ✓ American Indians are also known as Native Americans, Indigenous Americans or Indians
  - ✓ There is no exact information how or when the Native Americans first settled the Americas
  - ✓ Scientists proposes that American Indians migrated from Eurasia to present-day Alaska during the Ice Age
  - ✓ Native Americans gave the white men sweet potatoes, several kinds of beans, many plants (i.e. tobacco)

✓ **New England** is a geographical region comprising six states in the northeastern part of the United States: Maine, Vermont, New Hampshire, Massachusetts, Rhode Island, and Connecticut.

✓ Boston, the capital of Massachusetts, is New England's largest city.

✓ Those Englishmen who came to America in 1620 and founded the colony of Plymouth (now state Massachusetts) are usually called the Pilgrims

✓ The settlements and towns they built have English names with the word 'new' as a prefix (New York, New Jersey)

- 
- ✓ The Declaration of Independence was approved by Congress in 1776 on July, 4<sup>th</sup>
  - ✓ This document said that The American colonies had all the rights to stay free and independent
  - ✓ Since that time this day America has the greatest national holiday, which is the birthday of the nation. This holiday is called Independence Day

- 
- ✓ Thanksgiving Day is celebrated on the fourth Thursday of November
  - ✓ This holiday was introduced as a national one by George Washington in 1784
  - ✓ This is a day for families and friends get together, share a special meal, and the time for a lot of people to give thanks for whatever people have to thank for in their life.

✓ Turkey, corn, pumpkins and cranberry sauce are symbols of Thanksgiving Day

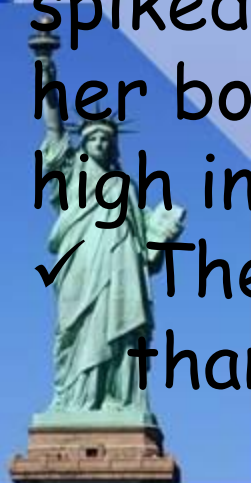

✓ The Statue of Liberty is a copper statue, a gift from the people of France to the people of the United States, was designed by French sculptor Frédéric Auguste Bartholdi and built by Gustave Eiffel. The statue was dedicated on October 28, 1886.

✓ The statue depicts a woman, standing upright, dressed in a flowing robe and a spiked crown, holding a stone tablet close to her body in her left hand and a flaming torch high in her right hand.

✓ The statue is 46 meters tall and more than 204 tons by weight

✓ The bald eagle was chosen as the emblem of the United States of America on June 20th, 1782

✓ The bald eagle was chosen as the emblem of the United States because of its long life, great strength and majestic looks, and also because it was then believed to exist only on this continent.

✓ On the backs of gold coins, the silver dollar, the half dollar and the quarter, we see an eagle with outspread wings.

✓ The eagle symbolises independence and freedom

✓ An American flag has got another nicknames: Old Glory and The Star-Spangled Banner.

✓ The current design of the U.S. flag is its 27th; the design of the flag has been modified officially 26 times since 1777.

✓ The first American flag was made by Betsy Ross who knew George Washington well.

✓ The first unofficial flag, made in 1776 at the beginning of the War of Independence, showed 13 stripes and the Union Jack in the left corner.

- ✓ The 50 stars on the flag represent the 50 states of the United States of America
- ✓ The 13 stripes represent the thirteen British colonies that declared independence from the United Kingdom, and became the first states in the U.S
- ✓ The last stars representing Hawaii Island and Alaska were added in 1959.
- ✓ The 50-star flag was ordered by then president Eisenhower on August 21, 1959, and was adopted in July 1960. It is the longest-used version of the U.S. flag and has been in use for over 57 years.

# "The Star-Spangled Banner"

O thus be it ever, when freemen shall  
stand  
Between their loved homes and the  
war's desolation.  
Blest with vict'ry and peace, may the  
Heav'n rescued land  
Praise the Power that hath made and  
preserved us a nation!  
Then conquer we must, when our  
cause it is just,  
And this be our motto: 'In God is our  
trust.'  
And the star-spangled banner in  
triumph shall wave  
O'er the land of the free and the home  
of the brave!

А иначе никак и не может и быть  
Там, где выбор пойдёт вновь о деле  
свободы.  
И пока будем жить, будем  
благодарить  
Силу, что сотворила нас единым  
народом.  
Этот выбор — священен, выиграть  
должны мы.  
Наш девиз неизменен: «Лишь  
Богом мы живы».  
И победный наш флаг будет также  
все реять  
Над землёю свободных, родиной  
смелых.
